Hi James;

The following is a transcript of what took place before, during and after we met Monday afternoon. You, Ditra and Linda saw pieces of this as it happened. Hailing frequencies remain open, but I've heard nothing since Tuesday night. You're right, no one is ever going to believe this. As you said, you can't make this shit up. But if you're me, you can make up half of it. :-)

<https://en.wikipedia.org/wiki/Phishing>

Phishing – Wikipedia, the free encyclopedia
Phishing is the attempt to acquire sensitive information such as usernames, passwords, and credit card details (and sometimes, indirectly, money), often for malicious reasons, by masquerading as a trustworthy entity in an electronic communication.[1][2] The word is a neologism created as a homophone...
en.wikipedia.org

[I go off to do other things.]

18:56 McNally Shawna

Am really confused here Mr Christopher and How does your Winning Prize Concerns what you Just sent to me cos i Just viewed it now and the site is talking about credit card Hackers

And This does not require any of your Credit card details or Banking Details , So What you sent to me is totally different from what we are talking About and dont Loose your winning because of Ignorance

Because this is %100 real and Legitimate and i see correspondence with the Link you sent to me and what am telling you about

[Wow. The jig is clearly up and he doesn't see it. I'm really a nice guy, but it is at this point that my internal evil mad scientist took over. Guess I'm in for the long comic haul. I expect this little story will just end itself at some point. But how? I could hit this scammer over the head with a clue by four and he wouldn't see it.]

19:29 Christopher Hull

Well You're right. Not the same thing. And Pfishing is the only known internet scam.

19:32 McNally Shawna

But I Want you to know that this is %100 real and Legitimate and not a Scam and there are some Winners Like you who have Already claimed and Received their Winning Prizez because they complied and Co-operated with us and also Paid the Delivery charges to the UPS COURIER SERVICE which they have received their Winning Prizes Accordingly and which i also sent you some Few Photos of them Holding their Winning CHECK to certify and Proof to you that this is %100 real and Legitimate and not a Scam

19:33 McNally Shawna

And I Also want you to know that the Federal Bureau Of Investigation's FBI And some Relevant Agencies Like the Home Land Security are also aware of this Promo Going On , So Mr Christopher you have nothing to worry about because everything is safe, Secured and Under control . OK

20:07 Christopher Hull

I know. I saw the pictures. Ok. I'll go to Western Union. But only after I watch Fear the Walking Dead and floss my cat's teeth, ok?

[Isn't flossing the cat's teeth a sort of universal "I don't want to date you." metaphor?

I watch Walking Dead, get a burger, check in some Cisco source code and go to bed.]

23:55 McNally Shawna

Okay Mr Christopher

So Mr Christopher whats going On with the Payment and have you gotten the Payment of the \$350 sent to the UPS AGENT Yet ?

00:10 McNally Shawna

So Mr Christopher Below is a Scan Copy of your Winning Package to Certify and Proof to you that your Winning CHECK is %100 ready for Delivery which will also be Delivered to you with your Winning Certificate as well

00:10 McNally Shawna

[An image of a sealed envelope addressed to Christopher "J" Hull]

00:14 McNally Shawna

So Mr Christopher I Kindly Advise you Comply and Co-operate with us and Proceed in Making the Payment of the Delivery Charges which cost the sum of \$350 to the UPS COURIER SERVICE AGENT Via Western Union with the Payment Information's Giving to you so Your Winning CHECK can be Delivered to you Like other Winners and am Assuring and Guaranteeing you that Once the Delivery Charges is been Paid to the UPS COURIER SERVICE AGENT , Your Winning CHECK which is the Lump Sum of \$950,000.00USD will be Delivered to your Home Address at your Door-Step within 24hrs After the Fee is been Paid without any atom of delay or Problem .. So Mr Christopher you have nothing to worry about because everything is %100 safe , Secured and Under control and your Winning CHECK is also ready for Delivery .. Is That Okay Mr Christopher Hull ?

[I've been asleep for hours]

MONDAY

[I've been awake for a few hours. Have a 7am meeting with Cisco Canada every morning.]

10:19 Christopher Hull

Ok. I finished flossing my cats teeth. But I'm not sure if I should use human floss. Have you done this before? Is there such a thing as kitty dental floss? Next I'll go to Western Uniin after lunch.

12:55 McNally Shawna

Okay Mr Christopher , So what time Range will you be getting the Payment sent after Lunch so i can Notify the UPS COURIER SERVICE Immediately?

15:17 Christopher Hull

You there? There is no street address or number on the contact that I am supposed to send to. Is that going to work? Before I go to Western Union.

15:20 McNally Shawna

Yes Mr Christopher its going to work that way cos you dont need any Stress Address in the Information's to make the Payment Via Western Union ... All you Just need to do is to go to any Western Union Store around you , Pick a Western Union Form then fill out the Payment Information's i gave to you in the Western Union Form then submit it to the Western Union Agent there and also pay the \$350 to her

15:21 Christopher Hull

I think one of my cat's teeth fell out. Just a sec...

15:21 McNally Shawna

And you will be giving an MTCN Number at the Western Union after Making the Payment which contains 10 Digits Numbers .. So you will get back to me with the MTCN Number giving to you at the Western Union so i can Forward them to the UPS COURIER SERVICE AGENT Because the UPS AGENT will be using the MTCN Number to Pick Up and Confirm the Payment .. Is that Clearly Understood and Okay Mr Christopher ?

15:24 Christopher Hull

MTCN number. Ok. I'm going to get some super glue for my cat's tooth. On my way back I'll send the money via Western Union. Ok?

I have \$350. Super gluel is a buck 75, so I'll send 348.25

15:27 McNally Shawna

Okay No Problem Mr Christopher and i will explain that to the UPS

COURIER SERVICE AGENT . OK

15:32 Christopher Hull

Cool. Thanks. I can send the difference later. It's only a small shortfall. Ok On my way.

15:33 McNally Shawna

Okay No Problem Mr Christopher... Let me Know once you get to the Western Union and How Many Mins from Now will you get to the Western Union Mr Christopher ?

15:33 Christopher Hull

I knew I shouldn't have flossed my kitties teeth. Do you have any cats?

Oh probably 30 min.

Do you have any cats?

I hope super glue works.

15:36 McNally Shawna

Okay Mr Christopher and Nope I Dont have a Cat and Yes I Believe the Super Glue will work . OK

So Mr Christopher are you On your Way to the Western Union Now ?

[I work on my Cisco sprint assignment. Later I hit the local bar to meet up with my Cisco friend James to talk about OpenStack. I also bring him up to speed. He witnesses some of the conversation.]

15:53 McNally Shawna

Hello Mr Christopher, Where are you Now ?

16:25 McNally Shawna

Are you still Mr Christopher and have you gotten the Payment sent Yet ?

17:20 McNally Shawna

Are you still There Mr Christopher and whats going On with the Payment ?

17:25 Christopher Hull

We got the super glue. But now it seems we need to replace out cats entire skull. Will send payment by 7:30 for sure.

[Reading in total disbelief. "You can't make this shit up." - James]

17:26 McNally Shawna

Oh Okay Mr Christopher ... So Whats the Time There right Now ?

17:27 Christopher Hull

Well I've never replace the cats skull before. But I'm looking on the Internet and I'll let you know. No more than about two or three hours

Western Union. Send me address again please.

17:30 McNally Shawna

I Understand but I Must tell you the truth Mr Christopher you are Just delaying the Payment and also your Winning CHECK Cos it wont take you more than 30mins to Just go to the Western Union and get the Payment sent to the UPS AGENT then go back home and continue on what you are doing concerning your Cat so you settle down and take care of your Cat cos i will advise you go to the Western Union Immediately and go make the Payment to the UPS AGENT which wont take more than 30mins to get that done so by tomorrow Morning 10am your time your Winning CHECK will be Delivered to your Home Address at your Door Step . OK

["Yeah. You had better settle down Chris." - James]

17:35 Christopher Hull

You realize I need to find a dead cat first. I need a donors skull. And the donors cats head must be the same size or larger in order for the operation to work. I have consulted Victor Frankenstein on these matters and he assures me that given enough duct tape and vodka the operation will be a complete success

17:35 Christopher Hull

Can you please send the Western Union address again thanks

17:37 McNally Shawna

Okay Mr Christopher and Below are the Western Union Address Locations in your Area which you can drive to any of them to go and make the Payment to the UPS AGENT

09:40 McNally Shawna
Okay Mr Christopher So Are you on your Way back to the Western Union Now ?
Ada is very Lovely and Beautiful and I Must confess you have a Nice and Lovely Cat Mr Christopher [smile emoticon]

09:49 Christopher Hull
Thank you. I will go to Western Union this afternoon. I have a meeting at Cisco. Also, before I leave the house I must put Ada in her small kitty spacesuit to protect her. After all she has just had her entire skull replaced.

Contact you again soon

[I have breakfast at Palace Cafe]

09:52 McNally Shawna
Okay
Mr Christopher and you are Much Welcome ... But I Will Advise you get Dressed and Leave for the Western Union to go make the Payment this Morning cos it wont take up to an 45min or an Hour to just get this Done before you leave for your Meeting cos if the \$350 is been Paid to the UPS AGENT this Morning , Your Winning CHECK will be Delivered to your Home Address this Night by 7pm your time without any delay .. Is That Okay Mr Christopher ?

09:53 Christopher Hull
Ada has a small NASA suit like the one you see me wearing on my profile picture. Except it says space shuttle and not Apollo. They did not allow cats on the Apollo missions. There was not enough room in the command module for cat food

Did you know that a cat named Wester died in the Challenger space shuttle explosion. She was a calico and America's first cat in space, almost

I'll get to Western a Union Adrain asap I promise

[Adrain? Eh, speech to text... Siri!]

09:58 McNally Shawna

Okay Good Mr Christopher And i advise you stop what ever you are doing and get dressed and Leave for the Western Union to make the Payment of the \$350 to Our Agent cos you are the One Just delaying your Winning CHECK Cos had it been you got the Payment sent last night , Your Winning CHECK would have been delivered to you this Morning by 10am your time And once the fee is been Paid this Morning , Your Winning CHECK will be Delivered to your Home Address this Evening by 7pm without any delay cos your Winning CHECK is %100 ready for Delivery .. Oh. Probably 2PST. Ok. Meeting. Must go

But it looks like I may need to send Larry Niven back to NASA Aims in Mtn View. Ada's space suit is missing a critical life support component needed to keep her new skull intact. Will keep you posted

She is a very sweet kitty and very important to me. Is that OK?

10:11 McNally Shawna

Okay Mr Christopher and dont fail in Making the Payment this Time cos if the Fee is not been Paid today as Promised by you , Am sorry your Winnings might be Canceled and Declined today cos today is the last and final day to make the Payment of the Delivery Charges to the UPS AGENT and dont Blame me on anything that will happen to your Winning CHECK if the fee is not been Paid today .. 12:21 Christopher Hull

Ok. Done with Cisco meeting, finally. I'm off to NASA to get Ada's space suit part. While I'm there I'm going to meet up with my friend Steve Austin so I can get new fittings for my bionic arm. Then,

finally Western Union. Back with the number soon. I hope you don't cancel my winnings. I'd like to start my own space program just like my hero Elon Musk did.

14:56 McNally Shawna

Okay Mr Christopher and i was Busy at work when you Sent me a Message cos we were having a Seminal Meeting then .. So Have you Gotten the Payment Sent Yet Mr Christopher ?

Hello Mr Christopher Are you still There and have you Gotten the Payment sent to the UPS AGENT or Not or are you still Busy at the Moment ?

15:06 Christopher Hull

Yes we're all done. We had to shave Ada's head and staple sections of her ew kitty skull together. But she is safely in her space suit. I've installed the new Arduino on my bionic arm and Steve Austin is driving me to Western Union right now. Stand by for the number.

What kind of number was that.
ICSD or something
EIEIO?
ISDN?

15:07 McNally Shawna

MTCN NUMBER

15:07 Christopher Hull

I want to make sure it's right

15:07 McNally Shawna

Its The MTCN NUMBER Mr Christopher . OK!

15:07 Christopher Hull

MTCN. Got it

15:08 McNally Shawna

15:57 Christopher Hull

I'm happy for Cynthia. Oh well. Glad she won.

Cynthia was faster than I at getting the 350 in. But then again, she didn't have to glue a cat tooth, do cat skull replacement surgery, rebuild a bionic arm or get landing permission for jet pack flight now did she? It's not fair.

16:02 McNally Shawna

SO CONGRATULATIONS TO YOU ONCE AGAIN MR CHRISTOPHER !!! [smile emoticon]

16:03 Christopher Hull

I shod have got Larry Niven to run around for me. He's bored. He has nothing better to do.

This sucks. Well. Good for Cynthia.

16:04 McNally Shawna

So Mr Christopher How Many Mins from Now will you get the the Western Union ?

16:06 Christopher Hull

16:11 McNally Shawna

So Dont Misunderstand Me Mr Christopher.. Is That Now Clearly Understood and Okay by you ?

16:16 McNally Shawna

So Where are you Now Mr Christopher and are you still on your way to the Western Union ?

16:23 McNally Shawna

Hello Mr Christopher are you still There and where are you at the Moment ?

16:32 McNally Shawna

16:36 Christopher Hull

I'm really upset. Cynthia won all that money! I could've started a space program, bought a bunch of meth, probably both!

And now Larry Niven has turned into a 9 foot tall Kzin. And Ada's spacesuit is leaking hydrazine

I'm going to fly to San Francisco and jump off the Golden gate Bridge. This is it

Goodbye.

16:41 McNally Shawna

Nope Christopher you are getting everything wrong .. Cynthia didnt take your Winnings and like i said she was also a winner like you too cos they are 5 Lucky Winners been Picked and You , Cynthia and 3 others are the Winners .. 16:52 McNally Shawna

Okay Good So Where are you right Now ?

16:55 Christopher Hull

We are ankle cuffing 9 foot tall Kzin Larry Niven to the rear bumper of my 1948 Hudson. He can't kill anyone if they don't get too close. Hunter S. Tompson is conducting repairs to Ada's space suit. After that Steve Austin and I are heading off to Paul and Harvey's bar to drown our bionic sorrows in Vodka cran, with beautiful bar tender Maria Glass.

Then, Western Union.

I think you own me a little more time for the misunderstanding. I've had a very stressful 36 hours.

16:58 McNally Shawna

OMG Thats is so Far and the UPS Cant wait for that time cos they require the Payment has to be Paid Immediately in less than 30mins or your Winning CHECK will be declined and Cancelled because they have been so much delay on this and i dont know why yours is delaying cos other winners didn't have such delay

17:32 McNally Shawna

Hello Christopher are you still there?

18:31 McNally Shawna

Transmission ends.
